Brittany Campbell Braun to Lead Alumni

2000 Alumna Has Deep Butler Roots

The Suda E. Butler Alumni Association has been looking for an executive director for a long time. “We have been close but we could never close the deal,” said outgoing president Eddie Cannon '72. “We finally have the one we need to keep SEBAA moving.”

Brittany is no stranger to Butler. She graduated in 2000 and returned to Butler as a chemistry teacher in 2005. She has worn many hats at Butler, including head softball coach. In that role, she guided the team to its only softball state championship, in 2021. Her husband, Brett Braun, is also a Butler alumnus. In addition, her parents, Brenda Mosley-Campbell and Mike Campbell graduated from Butler in 1970.

Brittany is familiar with SEBAA. She has been a member of the board of directors for over 10 years and has served as the treasurer for seven years. In her new role, which takes effect on September 1, Brittany will direct the organization with the help of the board of directors. The current officers and board members will remain in place until the end of 2023, during the transition. At that time, we will elect new officers. Most board members will remain but we expect some to leave. Cannon explains, “We need some new board members. We are asking people to serve one year and help in one area. To make it easier to be a board member, we plan to Zoom our meetings (typically four/per year) in the future.”

Will you consider helping SEBAA in 2024 as a board member? [Click to email us for more information.](#)

Alumni Provide Popular Features at Golden Bear

You can't have a reunion event without pictures and we have two alumni who make sure we have that covered. Kassidy Druin '14 will be taking pictures for the second year. She has a photography business but she takes time off to take candid shots and the class photo at the Golden Bear Dinner. Her pictures will be on our website after the event.

This year we will also have a photo booth, *Derby City Selfie*. This is a fun feature that is offered by Cheryl Hildebrand '79. This feature adds more fun to a fun event. These photos can be printed and/or texted to your phone

We are fortunate to have these alumni in our corner. Here is their information.
